Kerala Honeymoon Package; Romantic Getaways In God's Own Country

Overview Kerala Honeymoon Package; Romantic Getaways In God's Own Country

Nestled at the southern tip of India, Kerala is a land where nature's beauty unfolds in diverse forms. To the west, the Arabian Sea kisses its shores, while the majestic Western Ghats rise in the east, towering between 500 to 2,700 meters above sea level. Kerala's landscape is a vibrant tapestry of three distinct regions: the coastal lowlands, fertile midlands, and lush highlands. The lowlands, interwoven with serene backwaters and the deltas of forty-four rivers, offer a tranquil escape, while the midlands flourish with plantations of cashew, coconut, banana, and rice, alongside spice-rich soils producing ginger, pepper, and sugarcane. The highlands are a treasure trove of tea, coffee, and rubber estates, as well as verdant spice gardens and wildlife reserves, making Kerala a true haven for nature lovers and adventurers alike.
